## Experience

**UI/UX Designer** — Oct 2024- Nov 2024
Freelancer
- Building internal projects from scratch, covering product design for brands, landing pages, web apps, and hybrid apps.
- Coordinating with external agencies, art services, web designers, marketing teams, printers, and colleagues as required.
- Managing the design process across platforms while ensuring project objectives are met.

**Cheif Designer** — July 2023- July 2024
KL University
- As the chief designer for our college club, I spearheaded various projects aimed at enhancing our design aesthetics and engagement levels.
- I focused on bringing innovation to our website layout and poster designs for every event and festival we organized.
- Additionally, I took on the role of educating junior members in design technologies, helping to elevate their skills for practical application in our club's projects.
